### **Beverage Options**

#### ***Drink Tickets***

*Drink tickets will be pre-sold, and distributed in pairs, for \$8.00 including tax and gratuity.*

*One ticket is redeemable for water, soda, Gatorade or domestic beer.*

*Two tickets are required for imported beer, mixed drinks or liquor "minis."*

*This is a great way to take care of your player's first few drinks and then allow them to purchase additional items on their own. Upon request, we can also create custom drink tickets by adding your company, group or sponsor logos for no additional charge.*

#### ***Hosted Beverage Cart***

*Run a "tab" for all drinks, food and cigars on the beverage cart. All charges, plus a 20% service charge, are due at the conclusion of the event.*

*This option requires a credit card authorization on file to guarantee payment at the conclusion of your event.*

*The group leader may limit the type of drinks that can be charged to the tab and/or pre-set a monetary limit in advance.*

#### ***Add-a-Cooler***

*For \$20 including tax, stock your cart's cooler with two (2) bottled waters and four (4) domestic beers.*

*Soda or Gatorade may be substituted for the domestic beers and this is a very popular package with summer groups and bachelor parties.*
